

Huang Wanqing's wish

對於人體展，我早有耳聞，我也聽說其中有法輪功學員。我希望捷克警方能夠調查我弟弟黃雄是否在其中。捷克已經成為一個民主國家，是人們尋求正義的地方。為了揭開我弟弟失蹤 14 年的真相，哪怕有一線希望我都不放棄。希望此案能引起人們關注法輪功學員在中國遭受的人權侵犯，一起終止這場延續至今而長達 18 年的殘酷迫害。

謝謝！

I have heard about *Body the Exhibition* for a long time, and I have also heard that among the exhibited bodies, there are Falun Gong practitioners' remains. I hope that the Czech police can investigate whether my younger brother, Huang Xiong, is among them. The Czech Republic has become a democratic country, where people can seek justice. In order to uncover the truth behind my brother's disappearance 14 years ago, I will never give up, even if there is only a glimmer of hope. I hope that this case will raise people's awareness about the human rights violations suffered by Falun Gong practitioners in China and help stop this brutal persecution, which has been taking place for 18 years.

Thank you very much!

Sincerely,

Huang Wanqing
